## 10<sup>th</sup> ASAMI COURSE SCIVAC / ESVOT International Practical Course on the Ilizarov method

November 27-29, 2008 - CREMONA

**Venue:** Palazzo Trecchi, Via Trecchi  
20, Cremona, Italy

### Aims of the Course:

This course is scheduled in a theoretical session and a practical session. The first will provide the fundamental principles of the Ilizarov Method and the clinical applications in small animal practice. The experience developed by the Faculty members will help participants to easily and fully understand the applicability of the Ilizarov Method, with pros and cons, possibilities, technical difficulties and therapeutical indications. In the practical session participants will learn how to realize Ilizarov Apparatus with an increasing level of difficulty.
