

BVOA

BRITISH VETERINARY
ORTHOPAEDIC ASSOCIATION

Spring Scientific Meeting

Wednesday 2nd April 2008

All members of the profession are invited to submit clinical research abstracts to be considered for presentation at the 2008 pre-Congress Spring Meeting. Abstracts should be on a subject of interest to the members of the organisation. Abstracts should be no longer than 250 words in length and should not have been previously presented as a clinical research abstract at the BSAVA Congress, or due to be presented at the 2008 BSAVA Congress.

Abstracts should include the names of all the contributing authors, with the presenting author listed first, along with the affiliation/address of the presenting author. Abstracts should be submitted to the Chair of the Education Committee by e.mail (andy@andersonsturgess.com), as a Microsoft Word document with the presenting author's surname in the document title, by 15th February 2008.

If accepted, the presenting author will be invited to present the work at the Spring Meeting. Successful authors will receive free registration for the meeting and £50 towards travel costs.
